

Mainroom Warehouse are proud to release 'EDM FSTVL Weekender Anthems' featuring 25 x Superb EDM Construction Kit Songstarters WAV & MIDI.

Inspired by all the top EDM artists from around the world and all the top EDM festivals bringing you the best quality tools for your productions.

These songstarters give you a great start to your next track or could be a great edition to your existing projects to give you another direction or dimension to your tracks.

Kits

Each kit include all drum parts from kick (Compressed & Not Compressed) to several percussion loops, wet and dry loops for all the main parts also including filter up and down loops wet and dry, all MIDI parts are included and a mix down demo for each kit, folder structure is smartly arranged for ease of use.

Advantages With MIDI

With MIDI you have the ultimate in flexibility being able to edit notes, velocity etc and assign your own sound, these are easily imported to any DAW either Drag And Drop or Import MIDI Options in your DAW.

These MIDIs are also a great source of inspiration for those writers block moments even the pros need motivation and inspiration from time to time, you can also learn how these have been constructed and change/tweak the MIDI to your own taste.
