

EDM Risers' from Smokey Loops is a must have collection of FX risers, Construction Kits, Sylenth presets, and much more. Organised into 10 flexible Construction Kits including FX, synth, lead, bass, One-Shots, MIDI, presets, and more. Also included are 20 presets for Sylenth1 so you can create new risers for your hit.

All loops are optimised for the Dance-friendly tempo of 128 and 140 BPM and are key-labelled.

Don't have the Sylenth VSTi? No problem, the Sound FX are also provided as WAV so you can easily use in your DAW.
