

We return with EDM MIDI Melodies Vol. 2 after great success over the world with the first volume. New fresh MIDI files for producers seeking instant inspiration while writing great melody lines for their future productions.

This pack brings 100 melodic and thrilling progressions to fill up your next EDM hit song. All the files are key-labelled and packed with their corresponding Chords, Melodies, and Baselines.

Suitable around multiple genre sounds, like Progressive, Future Bass, Tropical, Deep, and House just to name a few.

So if you're influenced by guys like Axwell /\ Ingrosso, KSHMR, Tiesto, Hardwell, The Chainsmokers, Deadmau5, and others, then these MIDI files will help you to write the perfect melody.

With MIDI you have the ultimate format where you can re-arrange notes, velocities, transpose, change MIDI lengths etc and assign your own VST Instrument or Hardware of your choice all this without any audio issues.
