

Audenty Records is back with a fresh take on next level EDM.

This pack has that new fresh sound which is a mixture between Future Rave and punchy EDM.

Do you need fresh inspirational impressive Synth melodies, punchy Bass and Drum loops?

What about many new interesting EDM One-Shot synth, basses and drums? Also, we included the midis, so you can replace the sounds with your own patches.

Our high quality audio loops and one-shots will fit into any EDM, Future Rave, Progressive or Electro track - choose from any of the 50 Melody & 40 Bass loops, 20 Songstarters, 36 Drum loops, 15 FX Loops, 9 Serum Presets and 65 One Shots.

So many ideas will make sure you'll get the creative juices flowing again, use the raw ideas to finish your own tracks and try to get them released on labels like Revealed Recordings, Spinnin, Mik Mak and Musical Freedom.
