

Return to the golden era of dancefloors!

EURODANCE RAVE HARDCORE VOL.1 is your ticket to the carefree party atmosphere of the 90s, when Eurodance, Rave, and Happy Hardcore blasted from every boombox and packed the clubs.

Inside you'll find 5 vibrant Construction Kits and 27 Spire presets to recreate the signature sound of that era while adding your own magic.

Each kit is a carefully crafted with punchy kicks, energetic hi-hats, signature piano riffs, leads and lush pads.

Designed with love for nostalgia but with a modern production quality, these sounds will make your tracks fresh yet filled with the warm vibe of classic dancefloors.

Perfect for: Eurodance, Rave, Happy Hardcore, Hands Up, or any style where energy and positivity are key.
