

ELEMENT Vol.1

We present you a new revolutionary sound bank for Spire.

"ELEMENT" is the most recent and relevant sounds for your tracks, which are suitable for almost any style of electronic music. As a basis, we take the trends of such world labels as Armada, Spinnin, Anjunabeats, Enhanced, Protocol, and, inspired by their sound, we create the most innovative presets, so you can save your time and focus on creating new amazing hits.

From soft and wide to punchy and powerful Leads and Bases - with such a variety of sounds as in this set, you can pleasantly surprise any discerning audience on any dance floor in the world.

Used Software: Spire 1.1 is required

Style: EDM, Progressive House, Trance, Trap
