

Emotional Trance Vocals sample pack from Planet Samples includes five vocal construction Kits. Each Kit contains the Dry, Wet, and Adlibs Vocals ready to be used in your next track.

All accompanying synth instrument WAV and MIDI files are also included and folders are numbered and labelled with their respective key scale and BPM for your convenience. FX's are not included.

In detail, you can find all melodic elements in wav loops such as pianos, bass, and pads.

If you are an amateur music producer and you don't have a music theory background or you don't know how to create melodies, chords then the midi files included in this sample pack will help you to see and study how these melodic elements were created.

What's more, everything you get is Royalty-Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Uplifting/Melodic/Progressive Trance, Future and Progressive House.
