

Cloudy Samples is proud to present "**Empathy Leads**" - collection of 64 Reveal Sound's Spire presets perfect for every electronic genre, especially Electro, House, Bounce, Progressive and Trance. This is another dimension of lead sounds, that you have never heard before. You will surely be able to create something huge, wide and catchy. In addition to the soundbank, we included an Ableton Live 10 Template, so you can open it and learn how to arrange, mix and master tracks like this. Although, if you are not a user of Ableton, you will find all audio WAVs, MIDI files and presets exported directly in separated folders.

The product features 48 leads and 12 plucks, plus additional 6 presets arranged from the template, along with other sounds. This is an insane opportunity to everyone looking for perfect material. All of these sounds are 100% Royalty-Free, so once purchased, you can use them in your commercial releases without having to pay any hidden costs.

Please Note: To access synthesizer presets, you need an up to date Reveal Sound's Spire. To access Ableton Live 10 template, you need Reveal Sound's Spire and Ozone Elements.
