

Energy Bass House is all about Bass House Music for the next generation who love their music energetic.

This kind of Bass House Music is the genre you hear at all festivals and clubs, it is fat and energetic and it makes people move and jump on the dancefloors.

With this sample pack, our team started with a brand new concept: a pack with only useful music loops, samples & useful vocals.

We improved the distribution of the included samples & loops, the content is now laid out in a more creative way and all samples are offered in a more detailed way.

All chopped and processed, ready to be dropped in your DAW or samplers.

Energy Bass House has all the ingredients with an amazing amount of detailed tones & melodies. The kits have been spread and split up in separate loops, like Music Loops, BassLoops, Vocal Phrases, Drumloops and more.

In detail, you can expect 388mb of content with all audio at 24Bit & 44KHZ. The pack contains 18 Vocal Phrases, 55 Music Loops, 47 Bass Loops, 37 Drum / build Loops, 3 SFX & 43 Drums.

All loops are key and BPM labelled for maximal flexibility.
