

'Essential Bass Guitars Vol 1' from Baltic Audio is a must-have product for producers looking to get the current bass guitar sound for the Pop & Tropical House charts. Inspired by Maroon 5, The Weeknd, Zara Larsson, Kygo and Daft Punk, this product has you covered.

Inside you'll find three top-quality bass guitar Kits (even the dry versions for re-amping). Plus, one bonus guitar Kit taken from the best-selling 'Essential Chart Guitars' series with all common root notes and chords covered for the current Pop, Hip Hop & House genre, to create new hit tracks including electric basses and electric guitars.

Each Kit and loop with all root notes covered was perfectly played by a professional studio bassist & guitarist and recorded by a professional studio engineer.

All loops are already mixed and mastered with passion, so they are ready to use in your original songs and remixes and will be your essential source for creating current and commercial bass guitars within your compositions.

You can also use it for genres like Tropical House, Future House, EDM, Hip Hop and RnB.

In addition, you'll find all single tracks and MIDI files of the demo included, perfectly mixed and with pristine 24-Bit Quality.
