

'Essential Chart Guitars Vol 1: Deep House' from Baltic Audio is a must-have product for producers looking to get the current guitar sound for the Deep House and Pop charts. You'll find three top quality guitar Kits (including DI versions for re-amping) with all chords common to Deep House production covered.

Please watch our "How to" video - to get the complete idea of it:

Each Kit and chord was perfectly played by a professional studio guitarist and recorded by a professional studio engineer. All chords are pre-mixed and mastered with careful attention to detail, so they are ready to use in your remixes and original songs and will be your essential source for creating current and commercial guitar phrases within your compositions.

If you're looking for the sounds of Robin Schulz, Klingande, BUNT, Heimlich, Jermaine Fleur, Jupiter Project, Calvin Harris, Life of Dillon, and Y.V.E 48, then this product has you covered.

You can also use it for genres like Pop, EDM, Tropical House, Hip Hop and RnB.

In addition, you'll find all single tracks and MIDI files from the main demo.
