

'Essential Chart Guitars Vol 2: Pop & House' from Baltic Audio is a must-have product for producers looking to get the current guitar sound of the Pop and House Charts. You'll find three top-quality guitar Kits (including dry versions for re-amping) with all common chords covered for the current Pop and House sound. Create new hit tracks, including electric and acoustic guitars.

Each Kit and chord was expertly played by a professional studio guitarist and recorded by a professional studio engineer.

All chords are already mixed and mastered with passion, so they are ready to use in your original songs and remixes and will be your essential source for adding current and commercial guitars to your compositions.

If you're looking for the sounds of Maroon 5, Sheppard, Listenbee, Robin Schulz, Klingande, BUNT., Jupiter Project and Calvin Harris then this product has you covered.

You can also use it for genres like Tropical House, Future House, EDM, Hip Hop and RnB.

In addition, you'll find all single tracks and MIDI files of the sound demo included, perfectly mixed and with pristine 24-Bit quality. Kit 02 contains a real recorded Steinway piano and also a real recorded wine glass which plays the top melody - real inspiration.
