

Essential Dubstep Sounds Vol. 1 for Reveal Sound's Spire

The new preset pack for Spire contains huge growls, massive leads and unique sounds which you have never heard before. Learn how to make huge Dubstep tracks with your favourite synth by testing these carefully crafted presets. Inspired by Zomboy, Skrillex, Must Die!, Xilent, Koven, Seven Lions and many more, this soundset will give you all you will need for your next big project!
