

ESSENTIAL FUTURE BASS FOR SPIRE delivers 80 presets for Future Bass producers. Including the full range from wobbly basses to nicely cooked plucks, arps and various synths. It's time to refresh your Future Bass sound collection with this brand new soundbank. On top of that, we also attached 4 x Key-Labelled song-starter kits to get you inspired. Each kit comes with Drum Loops, Melodic Loops, FX Loops, One-Shots and MIDI files. Bring it on!
