

Essential Hip Hop is a quality collection of Hip Hop samples and progressions loops for your next Hip Hop production.

Audentity Records is back with another Production Box full of original royalty-free content, with a balanced combination of live instruments and leftfield electron, inspired by Jay-Z, Future, The Sax One, Drake and other.

As expected we included high Level Drums, Percussion and FX. Low FAT Kicks, Hip Hop Snares, Stabs, Hits, Rhodes and Sax loops, Filtered Percussion and amazing Atmospheric Textures & Loops.

6 Mind blowing characteristic Production Kits full with 100s of Loops and One Shots, just drop them in your production and of you go... with your next Hip Hop Hit!

Not only can you use this samplepack for the Hip Hop genre, but the loops and ideas are also great for all other styles in need for some original sounding samples and musical loops.
