

'Essential Hip Hop Elements Vol 1' from Baltic Audio contains four Construction Kits with premium guitars, drums, pianos, bass sounds and more. This pack is inspired by the top artists like D.R.A.M., Drake, Meek Mill, Kid Ink, Snoop Dogg and others.

This product includes all the elements you need to create your own brilliant Hip Hop tunes and more.

Fuel your DAW with these premium grade samples like real played and recorded guitars, synths and drums that will allow you to be a part of this hot genre.

These Kits are ready to use in all major sequencers and include all the essential elements of the genre, perfectly formatted.

MIDI Files Included:

'Essential Hip Hop Elements Vol 1' includes MIDI files for many of the

accompanying musical phrases heard in each Kit, allowing you to seamlessly load your favourite synths and samplers with the melodies contained in the pack. But rest assured, no MIDI guitars have been used here.

One Shot Samples:

This pack also includes one shot samples, allowing you to create new beats, fills and loops to compliment the existing material. Simply load them up into your sampler of choice and create an infinite number of new grooves and phrases.

Loops:

For users looking to simply drag and drop, the loops contain all of the effects processing heard in the audio demos.

Unlooped Riffs/Tails:

This sample library also comes with unlooped/tail versions allowing you to end a phrase with the decay of the reverb/delay applied to the loop.

Royalty-Free:

All of these original high-quality sounds are Royalty-Free, so once purchased, you can use these loops in your commercial releases without having to pay any hidden costs.
