

'Euphoric Hardstyle Melodies Vol.1' by Essential Audio Media features 40 8 Bar top quality Euphoric Hardstyle melodies inspired by all the top Hardstyle artists from around the world. All Melodies are 100% Royalty-Free and ready to use for your next upcoming Hardstyle productions. These MIDIs are also a great source of inspiration for those writer's block moments and can help to motivate even the most professional of producers. Simply drag & drop your favorite MIDI to your DAW to edit notes, velocity and assign your own sounds.

Essential Audio Media has also added a folder where all the melodies from the audio demo are included so you can find your favorite melody from the audio demo much faster.

Please Note: This pack only includes MIDI files, all the other sounds you hear in the audio demo are only for demo purposes.
