

JKSOUND is pleased to release 'Eurodance Mania Vol.1' featuring 5 construction kits covering a wide spectrum of Eurodance / Happy Hardcore 90's sounds spanning from the 90s – 98.

In this pack, you will find Piano sounds such as KORG M1 piano loops, eurodance loops and synths, 28 presets for Spire synthesizer, WAV and Midi data associated with the audio demo.

This classic Eurodance / Happy Hardcore 90's 5 construction kits set brings nostalgia back to the current day with summer party feelings.

'Eurodance Mania Vol.1' contains everything you need to make the nostalgic classic happy hardcore, including 28 presets for Reveal Sound Spire and WAV and Midi data associated with the audio demo.

Inspired by 90's Eurodance artists such as Scooter, Slipmatt, Paul Elstak, Dune, 2 Brothers on the 4th floor, 2 Unlimited, Charly Lownoise and Mental Theo, Masterboy and more.
