

This template will help you in writing tracks in the spirit of the ASOT label as well as other Armada's labels. I made this template based on my track "Voice Of Angels" released on Andrew Rayel's label 'inHarmony Music'. Many people asked to do it to see how it was done. I used only 3 FabFilter plugins and two synths Spire and Nexus in the project to avoid CPU usage

Details:

Used Software: Fl Studio 9 (or above);

Style: Progressive Trance, Trance.

Tempo: 132

Length: 05:14

Used Plug-ins (requirements):

- Reveal Sound Spire synthesizer Version 1.1.15 (or above);
