

FL Studio Emotional Trance Template Vol.1

Product Description

If you are interested in producing Emotional Uplifting Trance, this template is for you. George Crossfield presents his new Emotional Uplifting Trance Template, created for FL Studio users.

This template contains the full arrangement of a track as heard in the audio demo), in the Uplifting Orchestral Trance style, so you can learn how a track in this style is structured, designed and mixed, so you will get what you hear in the demo if you have the VST plugins listed below.

This is my remix of the track **Iberian – Preludio (George Crossfield Remix)**, released in **High Emotions Recordings** wich was supported by **Andrew Rayel** in Find **Your Harmony Episode 283**

What do I get?

- 3 FLPs (Main Project, Breakdown Stuf & Low Piano Only)
- All MIDI and Audio channels with FX chains and mixing included
- All the Audio files included
- All the Synthesizer presets included
- Demo in MP3
- Artwork

Features

- All sections (basslines, leads, FX, drums) are color-coded and named correctly so you know exactly what you are looking at.
- Sounds exactly like the audio demo if you have the plugins listed below
- What can I learn from this product?
- Study how the arrangement was put together
- Learn from studying each individual track (MIDI / Audio)
- Find out how the mixing was done, and how each track was processed
- Learn how the melodies & bassline patterns were designed
- Learn from the synth presets included, which settings were used to make each type of sound
- Get inspired for your own productions
- Overall, an excellent way of learning more about producing Emotional Uplifting Trance in FL Studio
