

Trance Titans Samples - Epic Driving Uplifting Trance Template Vol.5

We are happy to present you this new template for FL Studio users, intended for those who want to learn how to make Trance Music in an energetic and powerful style, like your favorite artists.

In this template created by George Crossfield & Cyber Noise (Trance Titans Samples), you can find classic elements used in Trance music, in a powerful, energetic and aggressive style. You can learn to create and structure a track inspired by Trance top artists and top festivals with aggressive basslines, powerful leads and an atmospheric breakdown.

You can learn to improve or take your production skills to the next level, if you study this template.

Features:

- All sections (basslines, leads, FX, drums) are color-coded and named correctly so you know exactly what you are looking at.
- Sounds exactly like the audio demo if you have the plugins listed below
