

Datacode is very proud to present FOCUS: Serum Progressive House! A brand new powerhouse Serum Presets pack with a focus on the latest Progressive House and Melodic Techno sounds. This is our long awaited follow up release to our top selling FOCUS: Serum Melodic Techno. A premium collection of the most highly useable and pro level Serum Presets for Progressive House and Melodic Techno producers!

This pack features an impressive selection of Bass, Leads and Pads presets which were designed fit in the mix with clarity, warmth and punch. With deep analog style bass, cutting leads and smooth synth plucks and warm, lush evolving pads.

FOCUS: Serum Progressive House includes 24 Bass Presets, 30 Lead Presets and 20 Pads. Also included are a unique and inspiring selection of 31 Synth Loops and 28 Bass Loops with a focus on the genre defining sound and style of Progressive House.
