

Engineering Samples - Fancy French House Vol.2

"Fancy French House Vol.2" is the latest Sample Pack of Engineering Samples.

Inspired by Artists like Daft Punk, Sebastian, Gesaffelstein and Justice this Pack has the ultimate Sounds of French driven house Music.

Packed with over 492 MB of raw Drum Loops, funky Basslines, groovy Percussion, melodic Synth & Key progressions this Pack is the ultimate Tool for your next French House Production.

All of the main Elements are available with & without Sidechain - Compression and exist in a Dry & Wet version for maximum flexibility.

Of course 100% royalty-free!!
