

Audentity proudly presents 'Festival House By Alpharock', the 4th in a row of our artist -soundpacks with 450 MB of NI Massive Presets, Samples,Loops,Drums, pumping House Beats, Slippery Bases, One Shot Sounds & Loops,Fx & Modulated Percussion and more..

The pack is full with the signature sound of Alpharock,this is the pack all his fans have been waiting for ; Lots of presets for Massive and Sylenth which were used in his records on labels like Revealed Recordings,Musical Freedom,Spinnin and Doorn Records are in the pack. All the presets for NI Massive and Sylenth are here.

But that's not all,we also included important construction parts of most of his famous tracks like 'FAWL','Get Wild','Pump This Party','Drop The Guns' and 'Space Jam'. Expect some great melodies,Synth Shots,Drumloops of intros,Trap Horns,Uplifting Synths,Drum Sounds and so much more.

Whats very unique about this pack is that Alpharock produced brandnew Melody,Bass and Chordloops which he made exclusive for this pack. Also there are a lot of drumsamples programmed from his personal samplelibrary in the pack,this is your chance to get everything from this new superstar.

Suitable for EDM,Electro House,Progressive House,Groove House and more.
