

We deliver you another collection of fresh Psytrance sounds to get you ready for the festival season. Loaded with 5 x Key and BPM labelled construction kits, this sample pack will give you joy and inspiration, while producing your next tracks. The quality of this product is no less than all the big names you will hear in the festivals this summer, guaranteed.

Packed with full stash: Stems, Loops, Shots, MIDI files. Each kit is loaded with Kicks, Percussion, Basslines, Leads, Melodies, Arps, Effects and all the rest, you need right now to finish or kick start new tracks in no time. World class quality!

All content is 100% royalty-free, sell to labels, release, perform. See you on the mainstage of some massive festival? This pack will help you get there.
