

Ready to get the dance floor moving like never before? Get the Planet Samples Festival Vocals, and get ready for a festival-ready vocal pack that will take your tracks to the next level. This vocal pack includes male speech vocals in different styles, all of which are ideal for your dancefloor bangers.

We know it's tough to find a vocal sample pack with the right voices, so we've done the hard work for you. Festival Vocals has everything you need for spicing up your tracks with festival-sounding vocals.

Inside this sample pack, you will find 5 construction kits including male speech lead vocals as you heard in the demo. Midi files and instrument wav loops are also included. Drums and FX are not included. All vocals, wav loops, and midis are marked with key scale labeled.

Check out the MIDI files for a great example of how the bass, lead arp's and chords were created. You can tweak and play around with it, you can also change the tempo, key signature, or even individual notes to make it perfect for your track project.

What's more, everything you get is Royalty-Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as EDM, Hardstyle, Hardcore, and more.
