

EDM Sound Productions is very happy to bring you a new sample pack to get you ready to tear up festival mainstages with some dirty wobble house sounds.

"Festival Wobble Drops" is the latest toolkit released by our label and it's focused on ground shaking wobble baselines and festival melodies, inspired by artists such as JAUZ, DYRO, D.O.D, MATISSE & SADKO, JOYRIDE, EPWHURD and many more.

The full sample pack contains five Key/Tempo-labelled Construction Kits with MIDI, Drums, FXs and Anthemic melodies and crazy Wobble Drops plus extra 40 bonus baseline drops.

This is one pack you don't want to miss from your collection!

Whats in the pack:

- 5 x construction kits
- 40 Bonus Drops (20 WET + Sidechain /20 DRY + No Sidechain)
- Drums
- FXs
- MIDI Files
- Melodies and Leads
- WET & DRY Files for more flexibility
- Royalty Free
