

Audentity Records proudly presents: Four Seasons By Saffeh.  
After the success of his first pack, Dutch superstar Saffeh, is back with a new edition with his well-known signature sounds.

Having worked together with big artists like VegeDreem, 313, Giefa Sparkle, Aissa and many others, Saffeh doesn't need any introduction anymore.

This Trap, Afro, and RNB-inspired pack is filled with mind-blowing melodic loops, Saffeh drums and drum loops, trap synths, piano Loops, and last but not least a very special collection of guitar loops.

The beauty of this new pack is that its content is usable for multiple genres such as trap, old school hip hop, afrobeats and pop minded radio songs.

The samples in this instrumental power pack are made by Saffeh and his experienced team with real instruments and synths and the quality is high.

Every sample in this pack is made with love and passion for music and has been carefully mixed and mastered.

Enjoy everything you find in here and be sure to check every loop out!
