

Code Sounds presents Fragments Experimental Hip Hop by Producer & Sound Designer AYLN based in Germany! Journey into uncharted space with this deep and forward-thinking collection of Hip Hop Beats and Oneshots. A futuristic Hip Hop pack that explores fragments of both experimental, granular beats and nostalgic classic Lo-Fi vinyl elements for Rappers and Producers that are looking for a distinct set of beat tools that stand out from the crowd!

AYLN pushes the boundaries of Hip Hop and Lo-Fi in this collection of grooves, beats and keys that are full of character, with saturated crispy lo-fi drums, authentic deep tones, subby 808's and haunting keys and melodies. In this pack, you will discover 20 Full Beat Loops with over 160 Stem Loops including Kicks, Snares, Claps, Bass, Synth, Pads and much more so you can easily mix and match loop elements to create unique grooves. Also includes over 100 Drum Oneshots of Kicks, Snares, Claps, Hats and Percussion to program beats that suit your vision! Royalty-Free!
