

“Freshly Squeezed (Medasin Style)” - Is a Medasin style inspired sample pack. This pack is full of modern dusty sounds and catchy melodies. Our goal with this pack is to deliver a starting point for you to explore your creativity and encourage you to cast your musical net wider rather than thinking within the confines of a single genre like R&B, Hip Hop, Trap and so on.

Discover Tonal's melodies and dirty 808 sounds, fits perfectly to Drum Loops, divided into lots “Full” - “Top” “Perc” So that you can create your own loops and smoothly arrange songs. Of course, you can always use one-shots to create something completely new.

Incredibly creatively cut Vocal Loops allow you to diversify the track. Same as with drums, you will also find Vocal Shots to create something completely new.
