

'Funky Grooves' by Banger Samples features drum patterns, modular loops, synth loops, one-shots and FX.

Taking inspiration from artists such as Chris Lake, Riva Starr, Latmun, John Summit, Eddy M, Dennis Cruz, and labels such as DIRTYBIRD, Insomniac Record, Sweat It Ou, Repopulate Mars, Black Book Records, Box Of Cats and more.

In this pack, you'll find an array of handcrafted audio and MIDI files, designed to maximize your workflow during your next studio session.

Furthermore, this sample pack includes six seductive songstarter kits, to give you that head start.
