

Big Sounds Future Bass 2K20 it's a must have sample pack for Future Bass genre. This sample pack brings you a step closer to the modern future bass sound.

Inside you will find 5 construction kits, all sounds and samples can work out of the box without to worry about processing them. All kits include Loops of Melodies, Bass, Chords, Leads, Pianos, FXs and vocal chops including FX's, and of course all Drum Hits and Drum loops.

As an extra bonus we included also the Stems files. Load the stems in your DAW to achieve quick structure/arrangement for every construction kit. Everything is clearly labelled and in key.

Take now the Big Sounds Future Bass 2K20 sample pack and take your track to the next level.

We have included all Instrumental Loops in midi form as well as wav for your own convenience and creative freedom. You can find also synth presets from Serum and Spire vst's.

What's more, everything you get is Royalty Free!
Buy once and use in any of your projects in as many combinations as you want.
Compatible with all DAWs and usable in more projects and genres than you can imagine.

Please note: To run the presets you will need Serum v1.214, Spire v1.1.14 or higher is required.
