

Hailing from Prague, the brilliant producer **Redhead Roman** is so excited to release **Future Bass Essence**. Roman is the owner and producer for W. A. Production and Big EDM. The sounds and samples he creates for both of his companies are **legendary**, and he wants to **share his skills with the people!**

Roman also has some wicked releases under his belt that are rocking the charts and clubs around the world. Included in the pack are some amazing sounds that will help take your tracks to the next level. There are **one-shot samples, loops, and presets**. Everything is of the highest quality, and most importantly super fresh sounding. Splice is an amazing program and Roman is super happy to be sharing his skills with it's users.
