

We are proud to bring our fans this exclusive sample pack, that we created together with W. A. Production. This is the first time this pack is available as a complete product (.zip file).

*“Future Bass Gang”* provides you the best quality sounds for creating your next Future Bass hits.

Do not miss out the Serum patches as they contain our secrets towards sound designing for Future Bass tracks. The melody and drum loops included are professionally designed to increase your workflow during your song-writing process.

Drag and drop the samples into your DAW and feel the difference it makes.

**What you’ll get from this pack:**

- 24 Snares
- 11 Fills
- 26 Melody Loops
- 19 Kicks
- 17 Percussion
- 15 Drum Loops
