

Bingoshakerz proudly presents – Future Bass House!

This killer collection features the best of Future, Bass & Wobble House – packed with 10 fully complete, mixed & mastered song-starting kits broken down into: expertly crafted bass loops, FM-synth loops, crisp hat & percussion loops, groovy no-kick top loops, sub-smashing low-end loops, punchy kick drums, pre-drop fills, vocals & essential collection of sweeping, falling & exploding FX sounds.

Future Bass House also offers unbelievable collection of 46 Future & Wobble House presets for the most popular VST/AU synths – NI Massive, xFer Serum & Reveal Sound Spire.

Taking inspiration from such artists like Don Diablo, Oliver Heldens, Chocolate Puma, Pep & Rash, Curbi and many others – Future Bass House by Bingoshakerz delivers prime quality sounds at your fingertips!

All loops are WAV format, tempo & key-labelled.

Please NOTE: Sound patches requires Serum v.1.094 and Spire v.1.1 or higher versions.
