

'Future Bounce Melodies Vol 2' is the next MIDI pack from Essential Audio Media for Future Bounce and includes 40 melody Kits splitted into bass, chords and melodic MIDI loops. This pack was inspired by artists such as Mike Williams, Mesto, Jordi Rivera, Justin Mylo, Curbi and many more.

Creating the perfect melody can take sometimes hours and hours, so don't waste your time and use these melodies for inspiration for your next Future Bounce track.

Because all melodies were separated into different parts, this pack contains 120 MIDI files in total, and you'll definitely find help when you have any troubles when making catchy Future Bounce melodies.

This pack was made by one of Essential Audio Media's best Future Bounce producer who also made an official remix for Alan Walker and knows exactly how to make catchy melodies.
