

Audentity Records is back with the final chapter of the immense popular Future Bounce samplepack series: Future Bounce Superpack 2.

We added more and better samples, melodies, ideas to the pack; We also added more stems in the kits, also Wet/ Dry/ Sidechained and Non Sidechained Stems.

This is the last and best Future Bounce samplepack we did this year sofar.

Everything is royalty free!

Future Bounce Superpack 2 contains:

6 Construction Kits

Wet / Dry/ SC and No-SC Stems

20 Drumloops

35 MIDIS

37 Drum One Shots

30 Sylenth Presets

22 Spire Presets

8 Serum Presets

Total: 440 files
