

Planet Samples returns with this amazing first release of 2017. 'Planet Samples Future House 2017' features powerful Construction Kits, melodies, MIDI files and drum loops for producing Future House.

This pack offers you the tools to take your track to the next level and a source of inspiration you have been missing. You will find five complete Construction Kits for your musical needs, including drops, kicks, claps, and drum loops, melodies, vocal chops and FX.

There are also included MIDI files for your own convenience and creative freedom. As an extra bonus, you will find folders of melodies in WAV and MIDI formats plus drum loops.

Planet Samples offers you the complete package, ready for you to launch your next great track.

What's more, everything you get is Royalty-Free! Buy once and use it in any of your projects in as many combinations as you want.

Compatible with all DAWs and usable in more projects and genres than you can imagine.
