

Bingoshakerz are back with another ultimate Future House & Deep House collection!

This collection is packed with 10 fully mixed & mastered construction kits broken down to: heavy bass loops, epic synth & lead loops, killer sub loops, classic hat and shaker sounds, solid kick drums, melodic plucks & piano loops, pre-drop fills and large collection of sweeping, falling and exploding FX sounds.

Are you looking for modern Vst presets to shape and create your own sound?

Future House & Deep House Sounds offers great collection of preset sounds inspired by Don Diablo, EDX, Chocolate Puma, Toby Green, Madison Mars and many others for such Vst Plugins as NI 'Massive', Lennar Digital 'Sylenth1', Reveal Sound 'Spire' and xFer 'Serum'.

All loops are WAV format, tempo & key-labelled.

Please NOTE: Sound patches requires Sylenth1 v3.02, Massive v1.4.0, Spire v.1.1.1, Serum v.1.113 or higher versions.
