

Future Pop from Function Loops delivers 6 Key-labelled construction kits, inspired by the famous sounds of Diplo, Major Lazer, Skrillex, Dj Snake and alike.

Each kit is loaded with Loops, Shots, MIDI files and presets for Sylenth VSTi, the full arsenal to help you produce your next future hit. You will find Drums, Basslines, Chords, Flutes, Pianos, Vocal Chops, FX Loops and all the other sounds you hear in the demo, all of them included in the product. All content is 100% royalty-free, use them in your next productions, release on labels and get in the charts!
