

We got the definite vocal pack for you! Partnered up with singer MITTI, to bring out an exclusive collaboration to present you with one of the most beautiful voices out there. At the recording studio, we prepared you an unbelievable collection of Vocal Phrases, One-Shots, Words and One-Shot recordings.

After an extensive recording session, we finally managed to complete the first-ever vocal pack in our artist series! Plus, we decided to include some BONUS hand-crafted Construction-Kits with MITTI's voice to start production right away. Finally sharing some sound design knowledge with 2 exclusive vocal mixing and production video tutorials using MITTI's recordings.

MITTI features banging content released by A-level producers and labels such as Hexagon, Equatos, The First Station, Depdramez and Noisy Sounds to name a few.

So from HQs of The Audio Bar, we wish you enjoy this incredible vocal pack by MITTI. You can start loading the vocals into your audio channel or sampler to create amazing chops.

What's inside the pack?
