

Big Sounds Future Rave sample pack features fresh sound loops and midi files for your music productions. All you need to start and finish your future rave style track is here.

Future Rave it's a new EDM genre started by David Guetta and Morten, it's a mixed style of techno and progressive house with aggressive melodic arpeggiator's, fat baselines and punchy drums.

Inside you will find 5 construction kits, offering the greatest tools and source of inspiration you have been missing. All kits include the Bass loops, Synths, Leads and FX including Uplifter's, Risers, Downlifter, Impact and of course all Drum loops and the final mixdown.

What's more, we have included the midi files for all melodic elements so you can have access to edit the midi files and make your own melodic loops.

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and usable in more projects and genres than you can imagine.
