

Vadim Bonkrashkov is proud to present his new 'Future Rave Bassline' with 3 Ableton Live Template included Kick, Bass, Percussion FX's, pads etc.

It is a brand new template produced in Ableton Live implemented in the festival Future Rave/Melodic Techno/EDM style like David Guetta & Morten style. In this template, you will find out how to build an energetic edm production with powerful kick & bass with beautiful and atmospheric pads & leads and energy of mainstage

You get an insight into the processing of the individual channels, through the use of EQ, compression, distortion, delay, reverbs, and more.
