

'Future Rave Melodies' contains 30 melody loops & 9 bass loops, 20 synth shots & 5 bass shots as well as 39 MIDI loops. In addition you'll find 2 drum kits including oneshots and loops. This pack is perfect for producers who are looking for fresh and catchy melodies and ideas to start new banging Future Rave tracks.

The ready-to-use melody loops come along in 3 different versions (dry, wet, wet & sidechain), also the bass loops are provided with and without sidechain.

With the included MIDI loops, synth shots and bass shots you can customize the melodies for your ideas or add your own kind of style.

With the additional drum kits you can quickly and easily turn your ideas into a banging track.

So with this pack there are no creative limits for you.
