

Trance Euphoria are proud to release '**Future Trance Nightlife**' featuring 20 x Top Notch Trance Construction Kits WAV, MIDI & Presets.

Inspired by all the top Trance artists from around the world and all the top Trance festivals bringing you the best quality tools for your productions.

These songstarters give you a great start to your next track or could be a great edition to your existing projects to give you another direction or dimension to your tracks.

Kits

Each kit include all drum parts from kick (Compressed & Not Compressed) to several percussion loops, wet and dry loops for all the main parts also including filter up and down loops wet and dry, all MIDI parts are included and a mix down demo for each kit, folder structure is smartly arranged for ease of use also presets from Spire and Sylenth are included for each kit to replicate the sounds from the demo you have complete control, each kit gives you song ideas to start your next Trance smash hit including Chords, Basses, Pluck, Leads and Pads.

Advantages With MIDI & Presets

With MIDI you have the ultimate in flexibility being able to edit notes, velocity etc and assign your own sound, these are easily imported to any DAW either Drag And Drop or Import MIDI Options in your DAW.

These MIDIs are also a great source of inspiration for those writers block moments even the pros need motivation and inspiration from time to time, you can also learn how these have been constructed and change/tweak the MIDI to your own taste.

With the included presets you have complete control and can replicate the sounds you hear and that have been rendered for you to use in each kit, you can tweak and do what you want to achieve your own sound.
