

Soundclan Music presents a new and exclusive package for you.
Future Trance Sounds were created by professionals and inspired by contemporary producers and musicians of the trance scene.
This library is great for styles like Uplifting Trance, Psychedelic Trance, Tech Trance, Progressive and Melodic Trance.

This pack includes a big bank of presets for Spire, a set of sounds and one-shot samples, stems, midi files, construction kits and template FL Studio Projects in order to start creating quality and professional tracks.

Create your top trance track and start conquering the charts.
