

Brandnew TRAP pack inspired by Jack U, Dillon Francis, Diplo and UKF

Future Trap is a big collection of extremely useful and powerful sounds that will allow you to be a part of this hot genre.

This product includes all the tools you need to create your own beautiful tunes or quickly building up the foundation of a new track.

Inside you'll find all of the elements you need to create instant Trap hits, 6 Construction Kits, Melody Loops, Midi, Serum and Spire Presets & much more, that will make your fantastic productions.

MIDI files in each kit are included to offer you full flexibility.

Each preset is perfectly programmed by a professional sound designer, fresh sounds, new created just for you and will be your essential source for creating and commercial sounds within your compositions.

All royalty free, so you can release your new creation on your favourite labels.
