

Fresh soundbank of chilled and futuristic sounds for Tropical productions. Cool selection of Bass presets, Chord, Plucks , Synths, Leads and Pads - this all you need to add fresh flavour to your productions.

Like all our banks - every sound desinged from scratch, completely new content. In total, you are getting 55 presets for Spire VSTi.

These sounds will fit for Tropical House, Deep House, Trapical and any other genre, where tropical touch is needed.

We decided to give our previous Tropical soundbank with this release, as free bonus with additional 50 presets. Enjoy!
