

Bringing his melodic deep house sound back to the audience; Ganzfeld Effect is back with Ganzfeld Effect Deep House 2

This new edition is an extremely musical, radio and dance floor-minded sample collection with housey vocal chops, thick house piano stabs and loops, groovy basslines and fat drums and drum & percussion loops.

The pack is inspired by that special house sound which has been really popular for the last 6 months, reinvented and pioneered by the likes of Drake, Rihanna and other big artists.

If you are looking for some extra touch of pure melodic deep house, you've come to the right place, this will help you to get your house productions to a new peak level.

The pack contains 147 Drum Loops, 13 Drum Fills & Buildups, 38 Bass Loops, 28 Piano Loops, 67 Synth Loops, 7 Songstarter Loops, 119 Drum One-Shots, 120 Midis and 32 FX One Shots

All loops are key and BPM labeled for maximal flexibility.
