

'Trance Essentials vol.1' by Global Dance Loops features a superb collection of 5 Construction Kits with WAV, MIDI and Spire Presets. These MIDIs, loops, one-shots and Spire presets are perfect for Epic, Melodic, Uplifting and Progressive Trance styles.

'Trance Essentials vol.1' is a perfect tool for your production starts in Trance music. Whether you work with loops, one-shots, MIDIs, or a mixture of everything, this pack offers you the production tools you need.

From loops and one-shots, ready to be loaded up in your favorite DAW or sampler, to MIDI files ready to be assigned to your favorite instruments.

All of these samples are key and tempo-labeled, meaning they'll fit right into your arrangement immediately, matching the tempo of your project seamlessly.

Acid sounds, bass, leads, melodies, pads, plucks, percussion and drums are some of the types of sounds included in this pack.
